

Dear High School Trinity Family,

I hope all is well for you and your families. As you know we are facing an unprecedented health crisis in our country right now. As a result we have had to make changes in the educational process for the foreseeable future. There are several steps we would like to stress that students take daily to ensure some form of regularity.

1. Please check the Trinity website weekly for updated class assignments.

(www.trinitycommunityservices.org) under **K-12 Classrooms**. The high school section is password protected. **The password is** [REDACTED].

2. Please make sure students are completing and submitting assignments weekly via Instagram (math students), Khan Academy (Exp. Writing I/II Grammar and Precalculus), text or email.

3. Class assignments will be graded weekly. Please turn in assignments on time. Progress reports and report cards will be distributed on regular schedule.

4. Instructions have been provided to set up the Khan Academy account with this letter.

5. Please have students communicate with any high school staff members concerning issues with class work or just to say hello. We miss our students and would love to hear from them!! Stay safe and can't wait to see you guys again. Contact daily is welcome through the methods listed below.

6. Mrs. Julia is usually available most times for assistance. There is a special office time for tutoring Monday through Thursdays from 1pm to 4pm for those that need more assistance. Please contact by email, text, or Instagram (@msjulia_math_classes).

Sincerely,

Coach Chuck
